Paul Noble

Sept. 21

Harold:

Just returned from Mexico the other day and found the letter of Sept. 1 on my desk.

Enclosed is the check for the Burke expenses, which is late but I'm sure welcome. The other expense check is in process.

The show is now about 3 3/4 hours in length, and will get some more tightening. I don't expect it will air until the middle of October.

Answers and comments on your

other questions and statements when I get out from under the debris caused by two weeks in Mexico.

Best,

Paul
